staff when making your booking. There are several parking spaces nearby for those with blue badges.

Wheelchair users

There are several positions designed for wheelchair users in the stalls and circle areas of the Concert Hall, with lift access and toilets for wheelchair users at each entrance. A companion sitting in a neighbouring seat may be admitted free of charge. The Corn Exchange and Pavilion Theatre are also accessible to wheelchair users and disabled toilets are available.

Hearing impaired customers

Both the Pavilion Theatre and Corn Exchange have induction loops in place. There is a Sennheiser infra-red assisted hearing system in the Concert Hall. Please reserve your unit when making your booking and check that your hearing aid is compatible with this system. A deposit is required for the use of this system.

Visually impaired customers

Guide dogs are welcome. Printed materials are available in large print versions on request. For general information on access to the Brighton Dome, please contact the House Manager on 01273 261515.

Hiring the Dome Concert Hall

Facilities

The Dome Concert Hall's beautiful 1935 art-deco interior conceals within it the high-tech equipment necessary for all today's business and entertainment purposes, whether you're putting on a large scale public performance, exhibition or conference.

Facilities include:

- Enhanced acoustics to ensure the best sound quality for every event.
- Two fully licensed bars including the stunning new Dome Foyer and the Dome Founder's Room (also available for hire for small-scale launches, events and gatherings).
- Versatile stage configurations, allowing various styles of presentation, from proscenium arch to lyric with orchestra pit or open stage.
- New comfortable seating with good sightlines and stalls seating that can be stored underground for flat-floor shows or exhibition space.
- Excellent facilities for disabled visitors throughout.
- The auditorium is ventilated with a brand new air handling system.
