

## **Joint Statement by both Parties**

**The joint statement below was agreed by both Parties on 23 August 2007. As part of the agreement I am not allowed to publish the Schedule to the Consent Order (Tomlin Order) which was signed by Deputy District Judge Bishop on 5 September 2007. Accordingly that Consent Order as published as Document 44 has the Schedule omitted.**

**“The parties have reached agreement on this matter on mutually agreeable terms before the matter proceeded to a Court Hearing. An agreement has been signed recording this settlement.”**

**This case has now been concluded.**
